[Amended L.N. 50/1969]

Annual general meetings

19. An annual general meeting shall be held in respect of every financial year of the association not later than the last day of June (L.N. 50/1967), following the end of such financial year:

Provided that the executive committee may in special circumstances and for good cause authorise the holding of an annual general meeting at a later date. Subject as aforesaid, the time, date and place for the holding of each annual general meeting shall be fixed by the executive committee.

20. The business of every annual general meeting shall be to receive and consider a report by the executive committee on the working of the association during the financial year to which the meeting relates, together with the audited balance sheet, revenue and expenditure account and any other final accounts of the association for such financial year, to fix the remuneration of the association’s auditors for such financial year, to appoint auditors for the ensuing financial year, to consider the executive committee’s estimates of expenditure for the ensuing year, to fix the amount of any levy to be made on members for the purpose of providing funds to meet the association’s past expenditure and/or future requirements, to fix the amount of any remuneration to be paid to the chairman of the association and/or the members of the executive committee for the past or the ensuing year and to do any other business within the powers of the association in general meeting of which special notice (setting out the terms of any resolution to be proposed) has been given in the notice convening the meeting or which it may be proper to transact at an annual general meeting.

[Amended L.N. 50/1969]

Extraordinary general meetings

21. All general meetings of the association, other than annual general meetings, shall be called extraordinary general meetings.

22. The executive committee may convene an extraordinary general meeting whenever and for any purpose it may deem fit, and shall do so whenever thereto requested in writing signed by any six members of the association. Such writing shall specify the business to be transacted at the meeting requested.

23. Particulars of all business to be transacted at an extraordinary general meeting (including the terms of any resolution to be proposed) shall be given in the notice convening the meeting and no business shall be
transacted at such meeting except the business so notified and any other business which in the opinion of
the chairman of the meeting bears directly thereon.

**Attendance at general meetings, notice of general meetings, and notices generally**

24. Every member of the association shall be entitled to attend every general meeting of the association
and (save as is otherwise provided in clauses 61 and 65) to receive not less than twenty-one days' notice
in writing of every annual general meeting and not less than fourteen days' notice in writing of every
extraordinary general meeting. Such notice shall specify the place, day and time of and the business
to be conducted at the meeting and shall be given by sending it through the post in a prepaid envelope
addressed to the member at an address in Swaziland which he shall furnish to the association for such
purpose. Any member who does not furnish the association with such an address shall not be entitled
to receive notices of meetings or any other notice. A notice given by post shall be deemed to have been
received by the member to whom it is addressed three days after it is posted.

25. Notices other than notices of general meetings may be given either in the manner aforesaid or by
publishing the same in a daily newspaper published and circulating in Swaziland, and notices so published
shall be deemed to have been served on members on the date of first publication thereof.

26. The full period or any part of the period of notice required for a general meeting may be waived by
members present in person or by proxy holding not less than ninety per centum of the total voting strength
on a ballot of all members of the Mhlume planters' group and not less than ninety per centum of the total
voting strength on a ballot of all members of the Big Bend planters' group.

[Amended L.N. 50/1969]

**Proceedings at general meetings**

27. The chairman of the association shall be entitled to preside at all general meetings of the association.
If however the chairman shall be unable or unwilling to preside at any meeting, or shall not be present
thereat within ten minutes of the notified time thereof, the members present may elect one of their
number to preside at such meeting.

28. No business shall be transacted at any general meeting unless a quorum is present. A quorum shall be
members from the Mhlume planters' group present in person or by proxy and together entitled to exercise
not less than fifty-one per centum of the total voting strength on a ballot of all the members from the
said group, together with members from the Big Bend planters' group present in person or by proxy and
together entitled to exercise not less than fifty-one per centum of the total voting strength on a ballot of all
the members from the said group:

Provided however that, if after the lapse of half an hour from the time appointed for any meeting a quorum
is not present, the meeting shall stand adjourned to such date, not less than seven and not more than
fourteen days later, and such time as the executive committee, or, failing it, the chairman shall fix, and if
at such adjourned meeting a quorum is not present within half an hour from the appointed time thereof
the members present in person or by proxy shall be a quorum. The executive committee shall notify all
members of any such adjournment and of the reason therefor and of the place, date and time fixed for the
holding of the adjourned meeting.

[Amended L.N. 50/1969]

29. The chairman of any general meeting may, if so directed by the meeting, adjourn the same from time
to time and place to place, but no business shall be transacted at any adjourned meeting other than the
business left unfinished at the meeting which was adjourned. The executive committee shall whenever
time permits notify all members of any such adjournment and of the reason therefor and of the place, date
and time fixed for the holding of the adjourned meeting.
Representation and voting at general meetings

30. Every member shall be entitled to appoint another member as a proxy to attend for him at any general meeting and to speak and vote, both on a show of hands and on a ballot, in his stead. The appointment of a proxy, in order to be valid, shall be made by a written instrument as nearly as possible in the following form or in any other common form acceptable to the executive committee, signed by the member appointing the proxy and delivered to the association at its office not less than twenty-four hours before the meeting at which it is to be used.

31. Subject as provided in clauses 61 and 63, no motion or proposal considered at any general meeting shall be passed or carried unless it is passed by separate majorities of the votes of the members from the Mhlume planters' group and the Big Bend planters' group respectively, present in person or by proxy. Accordingly a motion or proposal put to the vote at any general meeting shall be decided by the separate counting of the votes for and against the proposal of members from the Mhlume planters' group and of members from the Big Bend planters' group. Unless any member or his proxy shall demand a ballot, voting shall be by separate shows of hands, and a declaration by the chairman that a motion has been carried unanimously, or by particular majorities of the members from each group, or lost, followed by an entry to that effect in the minutes of the meeting, shall be conclusive evidence of such fact without proof of the numbers or proportions of the votes recorded by members from each group in favour of or against the motion or proposal.

[Amended L.N. 50/1969]

32. If a ballot is demanded it shall be taken in such manner as the chairman of the meeting, with the concurrence of the executive committee, may direct. Two scrutineers shall be selected by the chairman to declare the result of the ballot and their decision shall be given by the chairman of the meeting. The result of the ballot shall be deemed to be the resolution of the meeting on the question on which the ballot was demanded.

33. The demand for a ballot shall not prevent the continuation of the meeting for the transaction of any business other than the question upon which the ballot has been demanded.

34. On a show of hands every member present in person or by proxy shall have one vote. On a ballot every member present in person or by proxy shall have one vote for every ton of sucrose or portion thereof which he is permitted to produce during the current season in terms of any permit or quota for the growing of sugar cane and the production of sucrose held by him.

[Amended L.N. 50/1969]

35. In the case of an equality of votes, whether on a show of hands or on a ballot, the chairman of the meeting shall not be entitled to a casting vote and the motion voted upon shall be declared lost.
36. Notwithstanding the provisions of clause 34, no member shall be entitled to vote at any general meeting if payment of any amount due and payable by him to the association by way of entrance fee, levy or otherwise has been duly demanded and remains unpaid.

**Executive committee**

37. The association shall have an executive committee consisting of six members of the association, of whom three shall be appointed by the Mhlume planters’ group and three by the Big Bend planters’ group. Appointments to the executive committee shall be made by letter written under the authority of the committee of the planters’ group making the appointment and delivered to the office of the association. Each of the said planters’ groups shall have the right at any time in like manner to remove from office any member of the executive committee appointed by it and to appoint any other member of the association in his place. Members of the executive committee, once appointed, shall remain in office until they are so removed, or until they resign or cease to be members of the association.

38. Any vacancy caused through any member of the executive committee resigning or otherwise ceasing to hold office shall be filled by the appointment of a new member in manner aforesaid by the planters’ group which appointed the member who has ceased to hold office.

39. The executive committee shall have power to co-opt persons (who need not be members of the association) as additional members of the executive committee to assist it in an advisory capacity, but such co-opted members shall have no power to vote on any question for decision by the executive committee.

**Alternates to the executive committee**

40. Every member of the executive committee (other than a member co-opted under clause 39) shall be entitled to appoint a member of the association to act in his place as his alternate during his own absence or inability to act as such member of the executive committee who appointed him, to require the approval of the executive committee. An alternate so appointed shall be entitled, whilst acting in the place of the member of the executive committee who appointed him, to exercise all the rights and discharge all the duties and functions of the member of the executive committee whom he represents. The appointment of an alternate shall be cancelled, and the alternate shall cease to hold office, whenever the member of the executive committee who appointed him ceases to be such a member, or whenever he gives notice to the executive committee that the alternate representing him has ceased to do so.

**Powers of the executive committee**

41. The business and affairs of the association shall be managed and conducted by the executive committee, which shall have full power and authority to exercise all the powers of the association (other than the power of fixing the amount of any levy to be made on members), and (without derogating from the generality of the foregoing) shall particularly have power—

(a) to formulate and control the financial policy of the association, to frame estimates of expenditure and to make recommendations to the association in general meeting as to levies to be paid by members of the association, both as members generally and as members of their own planters’ groups, for the purpose of providing funds for carrying on the affairs of the association and the domestic affairs of planters’ groups;

(b) subject to the provisions of clauses 50, 51 and 52, to appoint all delegates to general meetings of the Swaziland Sugar Association and all members of its council and its marketing executive committee which the association may be entitled to appoint, and to appoint representatives on or to any other authority, body, organisation or association discharging any function relating to the Swaziland sugar industry. Such delegates, members and representatives need not be members of the association;
(c) to negotiate the terms of any agreement or any statutory or other determination, scheme or arrangement relating to the supply to millers of sugar cane produced by members of the association, the division between millers and growers of the proceeds of the sale of sugar and by-products and waste products manufactured or derived from sugar cane supplied to millers by members of the association and any other matter concerning the relationship between growers of sugar cane and sugar millers in Swaziland or any other aspect of the sugar industry in Swaziland;

(d) to arrange and direct the representation of the association at any arbitration, enquiry or investigation relating to any aspect of the Swaziland sugar industry;

(e) to make rules and regulations (not inconsistent with the provisions of this constitution) for the conduct to general meetings of the association, and of planters’ groups, meetings of the executive committee and of planters’ group committees, and generally for the procedure to be observed in the conduct of the affairs of the association, the executive committee and planters’ group committees;

(f) to authorise the signature of any document and the performance of any legal act by or on behalf of the association;

(g) to appoint and pay administrative and executive officers, secretaries, accountants and other employees or agents of the association;

(h) to appoint sub-committees of its own members to consider any matter and make recommendations to the executive committee thereon or to deal with any matter; and

(i) to delegate any of its powers or functions to any such sub-committee appointed by it or to any member of the executive committee.

Proceedings of the executive committee

42. The executive committee shall meet together as often as circumstances require, and meetings of the executive committee shall be convened whenever the chairman of the association so directs or any two members so request. The chairman of the association, or, failing him, any members of the executive committee constituting a quorum thereof, shall fix the time and place for the holding of such meetings. Every member of the executive committee and every alternate to any such member shall be entitled to receive notice of every meeting of the executive committee. Such notice may be informal, need not be in writing, and need not state the business of the meeting. If, however, written notice is given it shall be sufficiently given to any member if delivered at or posted to the address in Swaziland given to the association by such member as his address for receiving notices, and any member of the executive committee who fails to furnish the association with such an address shall not be entitled to receive such notice.

43. The chairman of the association shall be entitled to preside at all meetings of the executive committee. If however the chairman shall be unable or unwilling to preside at any meeting, or shall not be present thereat within ten minutes of the notified time thereof, the members of the executive committee present may elect one of their number to preside at such meeting.

44. No business shall be transacted at any executive committee meeting unless a quorum is present. A quorum shall be four members of the executive committee (not being members co-opted in an advisory capacity) or their alternates; including two members appointed by each planters’ group or their alternates; provided however that if after the elapse of half an hour from the time appointed for any meeting a quorum is not present, the meeting shall stand adjourned to such date, not more than seven days later, and such time as the chairman shall fix, and if at such adjourned meeting a quorum is not present within half an hour from the appointed time thereof, the members of the executive committee and their alternates present thereat shall be a quorum. The chairman shall cause all members of the executive committee and their alternates to be notified in the manner referred to in clause 42 of any such adjournment and of the reason therefor and of the place, date and time for the holding of the adjourned meeting. If written notice is given it shall be sufficiently given if delivered at or posted to the address in Swaziland given to the association by the member or alternate concerned as his address for receiving notices, and any member of the executive
committee or any alternate who fails to furnish the association with such an address red shall not be entitled to receive such notification.

[Amended L.N. 50/1969]

45. At meetings of the executive committee each member of the executive committee shall have one vote, and no motion or proposal shall be passed or carried unless it is passed by a majority of the votes of the members present including not less than two votes of the members appointed by the Mhlume planters' group and not less than two votes of the members appointed by the Big Bend planters' group. In the case of an equality of votes the chairman shall not be entitled to a casting vote and the motion voted upon shall be declared lost.

[Amended L.N. 50/1969]

46. A resolution in writing signed by all the members of the executive committee or their alternates shall be as effective as a resolution duly passed at a meeting of the executive committee. Any such resolution may consist of several documents in like form signed by one or more members of the executive committee or their alternates.

Chairman and vice-chairman

47. The executive committee shall every year at its first meeting after the annual general meeting of the Association appoint from its members a chairman and a vice-chairman of the association, who shall hold office until a new chairman and vice-chairman are appointed in like manner for the next succeeding year. When the chairman is a member of the executive committee appointed by the Mhlume planters' group, the chairman in the succeeding year shall be elected from amongst the members of the executive committee appointed by the Big Bend planters' group, and vice versa, but this principle may be varied in any one year by a resolution of the executive committee. As far as possible when the chairman is a member of the executive committee appointed by the Mhlume planters' group the vice-chairman shall be a member appointed by the Big Bend planters' group, and vice versa, but this principle may be varied in any year by resolution of the executive committee. The chairman of the association shall be entitled to preside at all meetings of the association and of the executive committee and to perform any administrative functions on behalf of the association which the executive committee may delegate to him. He shall also be an ex-officio member of any sub-committee appointed by the executive committee and shall be entitled to preside at meetings thereof. The vice-chairman shall be entitled to act for the chairman and to exercise all his rights and discharge his duties and functions in the chairman's absence or inability to act personally, and all references to the chairman of the association in this constitution shall be deemed to include the vice-chairman so acting.

[Amended L.N. 50/1969]

Planters' groups

48. The association shall be divided into two planters' group, namely the Mhlume planters' group and the Big Bend planters' group. The Mhlume planters group shall consist of those members of the association who supply sugar cane to the sugar mill at Mhlume operated by the Mhlume (Swaziland) Sugar Company Limited, and the Big Bend planters' group shall consist of those members of the association who supply sugar cane to the sugar mill at Big Bend operated by Ubombo Ranches Limited.

49. The Mhlume Planters’ group and the Big Bend Planters’ group shall each have the power—

(a) to deal with any matter which is domestic to its own group:

Provided however that the said groups shall not have power to pursue any policy or take any decision or do any act which is repugnant to or inconsistent with any policy, decision or act of the association or its executive committee, nor shall the said groups or their members have power to deal with any matter affecting the price at which sugar cane is to be supplied by growers to any miller, or affecting the division between growers and miller of the proceeds of sale of sugar or by-
products or waste products manufactured by a miller from cane supplied by growers or any matter
generally affecting the relationship of growers of sugar cane to sugar millers or to the Swaziland
Government or any statutory or other body, association or person;

(b) to appoint the three members of the executive committee which their planters’ group is entitled to
appoint in terms of clause 37;

(c) to appoint the growers’ representatives on any mill group committee constituted for the mill or the
mill group to which the members of their planters’ group are attached;

(d) to nominate one-half of the members of the council of the Swaziland Sugar Association and
one-half of the general alternates thereto which the association is entitled to appoint, and these
nominations shall as far as possible include the same members as the three members appointed to
the executive committee in terms of sub-clause (b) of this clause;

(e) to elect a planters’ group committee consisting of three of its members (of whom two shall be a
quorum for the conduct of business) with full power to manage its business and conduct its affairs;

and,

(f) without derogating from the generality of the foregoing, to collect from the members of its own
planters’ group, by way of levy or otherwise, such funds as it may from time to time recommend to
a general meeting of its planters group and such general meeting may authorize for the purpose of
meeting expenditure on matters and purposes domestic to its own planters’ group, and to plan and
effect such expenditure.

[Amended L.N. 52/1967; L.N. 50/1969]

50. Nominations by a planters’ group committee in terms of sub-clauses (d) and (e) above shall be made by
letter written under the authority of the planters’ group making the nomination and delivered to the
association at its office, and on receipt of any such letter the executive committee of the association shall
(save as is hereinafter otherwise provided) be obliged to cause the association to exercise its rights of
appointment in terms of the nominations so received.

[Amended L.N. 50/1967]

51. Delegates to represent the association at any general meeting of the Swaziland Sugar Association shall
be appointed by the executive committee which shall be obliged to appoint an equal number from the
members of each planters’ group, and these appointments shall as far as possible include the same
members as the members appointed to the executive committee in terms of clause 49(b). Appointments
may be made at any time and shall be deemed to continue in force until such time as they are changed by
new appointments.

[Amended L.N. 50/1969]

52. Nominations of persons to be appointed as members of the council of the Swaziland Sugar Association
or as general alternates thereto shall be deemed to continue in force until such time as they are changed
by new nominations. In the case of any nomination of a person for appointment as a member of the
said council or as a general alternate at the time of the annual general meeting of the Swaziland Sugar
Association, such nomination shall be delivered to the association not less than fourteen days before
the date appointed for such annual general meeting, failing which the executive committee shall not be
obliged to give effect thereto at such annual general meeting. In the case of any nomination of a person
for appointment as a member of the said council or as a general alternate thereto at any other time, such
nomination shall be delivered to the association not less than fourteen days before the time when the
association has to make such appointment, failing which the executive committee shall not be obliged to
give effect thereto at such time.

53. Save as herein otherwise provided, the provisions of this constitution relating to general meetings of
the association and to meetings of the executive committee shall apply, mutatis mutandis, to general
meetings of planters’ groups and meetings of planters’ group committees respectively, save that a motion
or proposal considered at a general meeting of a planters’ group may be passed or carried by a simple
majority of the votes of the members present in person or by proxy. Each planters’ group shall elect its
planters’ group committee at an extraordinary general meeting of such planters’ group to be convened by
the executive committee of the association as soon as practicable after the adoption of this constitution. The planters’ group committees so elected shall hold office until the conclusion of the next annual general meeting of their planters’ group. Thereafter each planters’ group shall elect its planters’ group committee at every annual general meeting of such planters’ group, and the planters’ group committee so elected shall hold office until the conclusion of the next annual general meeting of its planters’ group. Casual vacancies occurring on any planters’ group committee may be filled by such committee, or (if there are not sufficient members of such committee remaining to form a quorum) by appointment at an extraordinary general meeting of the planters’ group concerned, which shall be specially convened for such purpose either by the remaining members of such committee or by the executive committee of the association. Persons appointed to fill such casual vacancies shall hold office until the conclusion of the next annual general meeting of the planters’ group concerned.

member or alternate, nor for any loss occasioned by any negligence, error of judgment or oversight on his own part, nor for any other loss, damage or misfortune whatsoever which may happen in the execution of the duties of his office or in relation thereto, unless the same shall happen through his own dishonesty; and every such member and alternate shall be indemnified by the association against, and it shall be the duty of the executive committee to pay out of the funds of the association all costs, losses and expenses which any such member or alternate may incur or become liable for by reason of any act or omission by him in his capacity as such.
