UDGMENT

24th October 2008

[1] The Applicants filed an urgent application on the 1st

October 2008, for an order in terms of prayers 1 to 3.2 which is opposed by all the Respondents. The said Respondents have raised points *in limine* which were heard by the court. After considering these points I am inclined to agree with the Respondents that the application ought to be dismissed *in limine*. Full reasons for the courts decision will be furnished in due course. The costs of the application to follow the events.
