**NOTICE**

**CITY COUNCIL OF MBABANE**

(Pursuant to section 5 of the Rating Act 4 of 1995)

Notice is hereby given that pursuant to section 5 of Act 4 of 1995 the Council proposes the following categories of immovable property of differential purposes:

**1) ALL PRIVATE AND GOVERNMENT OWNED NON-EXEMPT PROPERTY**

**Residential**

Undeveloped	Vacant
Developed	Land
Developed	Improvements

**Commercial/Non-residential**

Undeveloped	Vacant
Developed	Land
Developed	Improvements

**2) ALL COUNCIL OWNED NON-EXEMPT PROPERTY**

The reasons for setting this structure are that it would enable the Council to levy a zero percentage rate on its property as it is not an exempt owner. This will improve transparency and avoid the possibility of preparing budget estimates that assume that the Council pays rates like any property owner. An alternative to have this last category would be for the Council to provide in its budget and pay rates like everybody.

This structure facilitates the setting of rates which can shift the burden to owners of types of property. This structure is also easy to administer since the valuation roll differentiate properties mainly on use types. Any other differential rate structure that is not based on land use would be extremely difficult if not impossible to apply.

Any person (s) wishing to object or make representations on the setting of the proposed differential rate structure is by this notice invited to lodge his or her representations in writing with the Town Clerk at the address given below by the 10th March, 1997.

Dated at Mbabane this 10th day of February, 1997.
